### UNION SECURITY

Section 1. It is agreed that at the time of hiring, the Township of Roxbury will inform newly hired employees who fall within the bargaining unit, that they may join the Union thirty-one (31) calendar days thereafter.

Section 2. The Union may appoint, in its sole and absolute discretion, a member to act as Chief Shop Steward to serve at the will of the Union and may be replaced, if the Union deems it necessary, by another individual appointed by the Union.

#### Section 3. Check-Off of Union Dues

A. The Employer hereby agrees to deduct from the wages of employees by means of check-off the dues uniformly required by the labor organization pursuant to the provisions of N.J.S. 52:14-15.9E. The Employer, after receipt of written authorization from each individual employee, agrees to deduct from the salaries of said employees their monthly dues and initiation fees. Such deduction shall be made from the second (2nd) salary paid to each employee during the month and such deduction made the first month shall be a double deduction and thereafter the regular deduction shall apply to dues owed for the following month.

B. In making the deductions and transmittals as above specified, the Employer shall rely upon the most recent communication from the Union as to the amount of monthly dues and proper amount of initiation fee. The total amount deducted shall be paid to the Union within fifteen (15) calendar days after such deduction is made.

C. The Employer agrees to forward the full name and address for all new employees who become eligible for membership. The Employer further agrees to notify the Union in the event dues cannot be deducted from the designated salary and the reasons therefor.

#### Section 4. Representation Fee

A. If an employee does not become a member of the Union during any membership year (from January 1st to the following December 31st) which is covered in whole or in part by this agreement, said employee will be required to pay a representative fee to the Union for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Union as majority representative.

B. Prior to the beginning of each membership year, the Union will notify the Employer in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Union to its own members for that membership year. The representation fee to be paid by non-members will be equal to 85% of that amount.

C.1. In January of each membership year covered in whole or in part by this agreement, the Union will submit to the Employer a list of those employees who have not become members of the Union for the then current membership year. The Employer will deduct from the salaries of such employees, in accordance with paragraph 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Union.

C.2. The Employer will deduct the representation fee in equal installments as nearly as possible from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

- a. 10 days after receipt of the aforesaid list by the Employer; or
- b. 30 days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Employer in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid 10 days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

C.3. Except as otherwise provided in this article, the mechanics of the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

C.4. The Union will notify the Employer in writing of any changes in the list provided for in paragraph 1 above and/or the amount of the representation fee, and such changes will be

reflected in any deductions made more than 10 days after the Employer received said notice.

C.5. Teamsters Local 102 shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34:13A-5.5 (c) and 5.6, and membership in Teamster Local 102 shall be available to all employees in the unit on an equal basis at all times. In the event Teamster Local 102 fails to maintain such a system or if membership is not so available, the Employer shall immediately cease making said deductions.
